

Suitable Infrastructure

The Department of English, Sitalkuchi College is committed to providing a suitable infrastructure to enhance the learning experience of its students. The department understands the importance of a conducive environment for effective teaching, learning, and research. Here are some aspects of the infrastructure that the department offers:

1. **Classrooms:** The department provides well-equipped classrooms that are spacious, comfortable, and conducive to learning. These classrooms are equipped with necessary audio-visual aids, projectors, and other technological resources to facilitate interactive teaching sessions and multimedia presentations.
2. **Departmental Library:** The department has a dedicated library section that houses a collection of books, literary works, reference materials, and academic resources related to English language, literature, linguistics, and other relevant subjects. The library provides a quiet and conducive space for students to conduct research, refer to books, and explore literary works. In total, the departmental Library has a collection of 152 books.
3. **Computer cum Language Lab:** To enhance language proficiency and communication skills, the department may have a language lab. Students can practice listening, speaking, and pronunciation skills, and engage in language exercises and activities. The language lab is situated on the first floor of Block B. This lab also serves as a computer lab well equipped with 30 computers and internet access. Apart from enhancing linguistic proficiency, the lab also serves to engage in online research, access digital resources, and utilize software applications related to language learning, research, and academic writing.
4. **Individual Staff Room:** The department provides individual staff room where Professors can prepare for classes, conduct research, and engage in academic discussions. The staff room has a computer and printer along with internet facilities which serve as a hub for faculty members to collaborate, exchange ideas, and provide guidance to students.
5. **Wall Magazine:** The department maintains a Wall Magazine entitled *Silhouette*, which serves as a platform for students to showcase their creativity, literary talents, and critical thinking. The Wall Magazine typically displays a collection of literary works, poems, articles, artwork, and other creative expressions by students and faculty members. It provides an opportunity for students to share their ideas, perspectives, and literary contributions with the college community.
6. **Locker Facilities:** In addition to its academic offerings, the Department of English at Sitalkuchi College also provides additional services such as locker facilities to its students, providing them with a secure space to store their personal belongings and academic materials. Lockers are especially beneficial for students who commute to the college or have multiple classes throughout the day.

The Department of English at Sitalkuchi College strives to provide a well-equipped infrastructure that supports and enhances the learning process. By offering suitable facilities, the department aims to create an environment where students can explore the English language, delve into literary studies, and develop their language skills and critical thinking abilities effectively.
